

# sphæra

A shockproof core in an exclusive coating.

**More than a standard profile.**

U.S.  
PAT. PEND.

**Ultralight**  
increases boat performances

**Ultraresistant**  
like extruded stainless steel profiles

see how to fit:  
[www.youtube.com/tessilmare](http://www.youtube.com/tessilmare)

Place the pvc base  
on the boat.

Bend bow and stern  
directly on the boat

Secure together pre-drilled steel bars  
with the base. Joint the gaps with caps.
